

ŠD SONČEK

Vikov memorial

Pozdravljeni!

Vsak ima enkrat svoj dan.
Naš dan bo letos prva nedelja v decembru.
V velikem pričakovanju smo na naš dan,

23. Sončkov dan ...

Lepo je praznovati v družbi,
zato smo na praznovanje prvega našega dne povabili
18 otroških ekip iz bližnjega okoliša ...

Na 3. Sončkovem dnevu smo praznovali skupaj
z 42 – ekipami. Na 6. Sončkovem dnevu smo veselili
v družbi 72- ih ekip.

**Pred zadnjimi štirimi Sončkovimi dnevi, smo morali več
kot tri tedne pred našim dnevom zaključiti s prijavi, s
preko 120 udeleženi ekipami ...**

Veseli nas, da ste mnogi na našem prazniku že več let.

Vračamo se pa tja, kjer je lepo.

Vse to nam govori, da je naš trud obrodil sadove,
da je pri nas lepo ...

**Trudimo se, vse moči dajemo,
da bo tudi letos tako oziroma še lepše.**

DOBRODOŠLI, VABLJENI NA 23. SONČKOV DAN!

**Prepričani smo, da boste na 23. Sončkovem dnevu
doživeli veliko lepih trenutkov!**

ŠD SONČEK

Dear friends!

Everyone has a personal holiday.

Our holiday, the Day of Soncek is always celebrated on the Sunday in December.

We are expecting our day, the 23rd Day of Soncek, with a great enthusiasm ...

It is nice to celebrate in the company of others and for that we invited 18 children's teams from the nearby area...

We celebrated the 3rd Day of Soncek with 42 teams and the 6th Day of Soncek with 72 teams, including the children from Bosnia and Herzegovina for the first time...

Over 130 teams participated in the last four Days of Soncek and we even had to stop admitting applications two weeks before the event ...

In addition to the programme of the games, the bulletin will tell you who Viko was, what Dusan's Moment is, why various Soncek awards are granted, who Beno was...

We are pleased to see that many of you have been attending our event for several years. **And the fact is that we always return to places where we enjoy ourselves.**

This tells us that our efforts are bearing fruits and that we can offer you pleasant moments...

We are trying to make it just as good or even better this year.

We wish you many happy moments at the 23rd Day of Soncek!

**Welcome (DOBRODOŠLI) to Slovenia,
welcome to Nova Gorica!**

Dobrodošli na 23. Sončkovem dnevu!
